Serving employers across the Gulf Coast in hospitality, shipbuilding, manufacturing, logistics, and more.

Stronger Teams. Stronger Communities. Stronger Future.

HIRING CHALLENGES ARE IMPACTING OPERATIONS

- High turnover
- Staffing shortages
- Last-minute call-offs
- Long onboarding timelines
- Inconsistent attendance
- Difficulty finding reliable workers

Traditional staffing agencies often focus on filling positions quickly—but not on helping employees succeed long term.

Planting Healing takes a different approach.

A WORKFORCE DEVELOPMENT MODEL THAT IMPROVES RETENTION

We don't just fill jobs. We prepare people to succeed—and support them to stay employed.
